

ATTENTION SNAP Recipients

Due to the partial Federal Government Shutdown:

February SNAP benefits will be issued in January

Current SNAP Recipients: Your February SNAP benefits will be on your EBT card by Sunday, **January 20, 2019**. You will NOT get more benefits issued to your card, but you may continue to use your EBT card at any authorized retailer.

Important Information about

JANUARY Case Actions:

If your case is not complete on **January 16, 2019**, approved recipients will receive your February benefits on **February 1, 2019**.

SNAP Applications After January 15, 2019: If you apply and are approved to receive SNAP benefits on or before January 30, 2019, you will receive prorated benefits for January and all of your February benefits on your EBT card by **January 31, 2019**.

New SNAP customers who do not have an EBT card, the benefits will be on your card when you receive it. You will not get more benefits issued to your card in February, but you may continue to use your EBT card at any authorized retailer.
